A FEW WORDS FROM THE OSMOTHÈQUE'S PRESIDENT

Thomas FONTAINE

Perfumer and
President of the
Osmothèque

"Since the Osmothèque was created, research on the history of perfume has led to ongoing enrichment of our collection and documentary fund. The creation of our Scientific Committee is a natural step in this fine institution's development and will enable it to pursue its missions with even more scope and rigor.

I would like to thank all those who contribute to its work through their skills and experience."
